

2011 Summer Teaching Programme : A Dog Named Sam

Date	Title	Main Text	Key Verse	Learning Objective
31 July 2011	Pain	Job	1 Chronicles 4:9	Names are very significant in the Bible. Names can show something good or bad. But the important thing is this: the name we are given at the start doesn't need to be the one we finish with. Jabez may have come into this world causing pain but he was going to leave having been a great blessing
07 August 2011	Personality	Job	1 Chronicles 4:9	Honour is not a fashionable word right now. However, honour is essential to ensuring that no matter how we start, we end gloriously and triumphantly
14 August 2011	Prayer	Job	1 Chronicles 4:9	As we move on, we discover more about this hero Jabez. First he prayed. But not only did he pray, he prayed a seriously bold prayer.
21 August 2011	Protection	Job	1 Chronicles 4:10	It is amazing to understand that the God who created the entire universe, the same God who fills all time and space, is the same God who has decreed that he will never leave or forsake us. The same God with unlimited resources has chosen to protect us.
28 August 2011	Patience	Job	1 Chronicles 4:10	Instant soup, instant coffee... instant character. That's the pme we can't get. Character-building takes time. But God knows what he is doing. He has seen the end from the beginning
